

REVIEW GUIDANCE FOR AGENCY SCHEDULE

Use this guidance to confirm the Agency Schedule grants only the intended agency-related role and does not create unintended authority.

Review focus

- Confirm the agent, principal, account, and territory context.
- Confirm authorized and prohibited activities.
- Confirm compensation, referral, and support expectations.
- Confirm no unintended authority to bind Alescent is created.
- Confirm duration, termination, and reporting requirements.

Value Realization lens

The Agency Schedule supports Value Realization by enabling relationship development while keeping authority, economics, and accountability explicit.
